Lille Versus Hillcrest

Practically the whole population of Hillcrest, interested in football visited Frank on Saturday last on the occasion of the replay match between Lille and Burnis. There was considerable talking done, principally with the Lille men, remarks to the effect that Lille really ought to play down being frequent among that team's numerous supporters. The ground was in an abominable shape and a good game with any team was impossible, but after the first few minutes the boys got going and the ground seemed to make little difference to it. At first Burnis were pressing the Lille goal hard, and the defence had most of the game.

Happenings in and Around Bellevue

Steve Humble is out on his ranch at the South Fork.

Mr. Comfort, of North Fork, was in town last Thursday.

Mr. Goodwin, (Fen) is occupying the old Mitchell ranch.

Rev. Stacey McCall was a visitor in town on Monday.

Miss Rogers is visiting at Moore and other eastern points.

Wm. Carlson, of Coleman, was a visitor in the camp on Saturday.

Mrs. Callan has returned from an extended trip along the West coast.

Fred Padgett was a visitor in the camp on Monday and Tuesday.

Rev. W. T. Young will occupy the pulpit in the Methodist church next Sunday evening.

Florence and Margaret Hallworth left the camp on Saturday to join their parents at Royal Victoria Collieries. They were accompanied by their grandmother, Mrs. Chappell.

It is now Chamberlain's Cough, Cholera and Diarrhoea Remedy is small certain to be needed before the summer is over. Buy it now and be prepared for such an emergency. For sale by all dealers.

The Bellevue boys are preparing for a big ball to be given on the night of Monday, July 23rd. Pioneer Creek orchestra will be in attendance and nothing will be left undone that might tend to make the evening a most enjoyable one. Refrainments will be observed.

If you are a housewife you cannot reasonably hope to be healthy and beautiful by washing dishes, sweeping and doing housework all day and not having time to do anything else. You must get out into the open air and keep your stomach and bowels in good order by taking Chamberlain's Tablets. They are good for you and will make you healthy and beautiful. For sale by all dealers.

A big 20-round boxing contest will be staged at the Social Hall on Saturday night between Freddie Baile, title holder of the province of Quebec, and Louis Britano, of San Francisco. Both are clever "kings," and no doubt the 20-round bout will be interesting. Good preliminary action will be staged. Marquis of Queensbury rules will govern with clean breaks. Prices are moderate: \$2.00 ring-side, \$1.50 reserved and \$1.00 general.

We notice in last week's issue of this paper an item from Burnis stating that Eddy's "Baldy" beat Chappell's "Queen of the Woods" in the open "punch" race at Beaver Creek on July 12th. We do not know whether this is a discovery of the famous literary and scientific society, "The Guzzucks," or from what source the information came, but we do know that "Baldy" did not win the open "punch" race at Beaver Creek on July 12th, and we also know that neither on that or on any other occasion has this horse beat the Bellevue mare.

The Grand Grand Party held at Bellevue on Monday was a big success. The band music never sounded better, the ice cream was perfection and although the evening tried to be cloudy, the sun could not desert from shining and when its rays did not warm the earth, it shone in the spirits of the merry makers. Games were enjoyed by old and young alike and through the kindness of Mrs. J. B. Smith, of Maple, two prompt stock of prizes were on hand for the winners. A goodly sum was realized and everybody seemed well pleased.

During the summer months mothers of young children should watch for any unusual looseness of the bowels. What does prompt stock at this time season trouble may be avoided. Chamberlain's Colic, Cholera and Diarrhoea Remedy can always be depended upon. For sale by all dealers.

Happenings in and Around Hillcrest

Some of the correspondents of the Lebridge Herald are very shaky as to the standing of the various teams in the Alberta Football League. How would it do to really figure it out for once before sending in your reports.

Grace Donner is billed to appear at the Hillcrest Opera House on the 24th to "Renovate." It is seldom that we get anything but the everlasting moving picture shows in Hillcrest and there is little doubt that the show this week will be a great success.

The Orangemen of Hillcrest who went down to the celebration at Pioneer Creek on the 12th (and there were many of them) received a rude shock immediately upon their return to Hillcrest. For in place of the White Ensign which they had floating over their lodge was a green flag, the other flag having been placed on the top of the lodge. Their indignation was unbounded and they are making a hard attempt to find out who the parties are that were responsible for this foolish exhibition of party feeling. If they are discovered the chances are that they will be on the road, as the lodge is determined to make an example of them.

The indignation of both Lille and Hillcrest footballers was aroused at Lille when it was learned that Burnis had attempted to get Lille throw the game played at Burnis on the 10th. The officials of both clubs were sore and no doubt this accounts for the very hard game put up by Lille last Saturday. Some time ago Hillcrest received a calling down from Burnis in the Lebridge Herald stating that Burnis had won the game played at Hillcrest when it was played there. "Do a little more sport, is right after all but to whom should this reasonable quotation be applied."

Erny King in town was pressed into service last Wednesday when the Hillcrest football team visited Lille. The game was a clean hard fought one throughout and the Lille men are to be complimented on their sportsmanlike qualities in taking a licking without squealing. The final score was 3-1 in favor of the visitors. During the first half both teams played evenly. The Lille forwards doing good work but falling down in the passing. Hillcrest seemed content to take things a little easy after their hard match last Monday. At half time there were no score for either side, and supporters of Hillcrest were beginning to look serious. They looked more serious still when about half way through the second half Lille broke through their defence and scored. It was not until twelve minutes of time that Hillcrest evened up the score, and within the last eight minutes placed two more to their credit.

All Hillcrest was saddened by the news of the sudden death of Mrs. Johnson here on Saturday last. The deceased had been living with her family in Hillcrest for a number of years and everyone in town was well acquainted with her. Death was due to heart failure. Upon rising on Saturday morning she had an attack of fainting and shortly afterwards was found lying on the floor of her room. Dr. Ross was immediately summoned but was unable to do anything. The funeral took place on Sunday afternoon at the Hillcrest cemetery at 3 o'clock. The kindly Mrs. Lemay officiated. The funeral arrangements were handled by the local Orange Lodge, who turned out in force and we liked immensely in front of the hearse. The deceased's popularity was very evident from the large number of mourners who followed the body to the last resting place and the sympathies of all are extended to the family in their bereavement.

Happenings in and Around Frank

The auction sale at Watson's drug store terminated on Saturday morning last.

Services at the Catholic church at Frank on Sunday at 11.15 a.m. and in Blairmore, at 10 a.m.

A large number of people arrived at the fine weather this Thursday morning and took in the excursion to Crown's Nest.

Sam Wilkings who was convicted several months ago for the murder of George Labatt at Frank, is to be hung this Friday morning at Macleod, on the gallows erected for the execution of Fritz Ehrlich.

General sympathy is expressed with Mr. and Mrs. McDonald of the Union Hotel, in the loss of their little child Jack. Less than a year ago they lost their youngest child, George, to the same bereavement is thus made doubly severe.

The Travellers' Association will hold a big convention at the Rocky Mountain Sanatorium on August 2nd, 3rd and 4th. On Friday will be given a ball, which promises to be a most unique affair. Saturday will be formal opening of the new winter sports, and Sunday a big banquet will be served. The band orchestra will be in attendance during the whole three days' affair.

Rev. F. Stacey McCall, former pastor of Knox Methodist church at Frank, but now connected with Alberta University, Edmonton, was a visitor to The Pass this week. On Sunday night he officiated at Knox church and delivered a masterful address on "Canada's Opportunity." Mr. McCall's many friends are pleased to welcome him back to the scene of past labors, and bespeak for him further success as a student and preacher.

Notes From Burnis

Margaret E. Burnis was a visitor to town this week.

Mrs. Ann Ford left town this week to join her husband at Coleman, B.C.

Mr. and Mrs. R. Cowen of Macleod are visiting friends in town this week.

Jack Jones, vice-president of the District U.M.W. of A., was a week end visitor to Burnis.

A well known Creeksite in the person of Paddy King blew into camp this week and remained in the mine here.

We would like to know who tripped Lescoe's nose? They'll get turned out this week and no one to come back again.

A large number of Burnis people journeyed to Frank on Saturday to witness the long range fight between Burnis and Lille, which resulted in a draw of two goals each.

The Burnis football club held a very successful smoking concert on Saturday evening. The music was provided by different members of the club, and a good programme of songs was ably rendered, and altogether a very enjoyable evening was spent in harmony.

Quite a lot of excitement prevailed in camp on Sunday; the occasion being the race for the Guzzak stake over eight mile course. There were only two entries for this race, Harold Smith's "Jimmy" and Uncle Billie's "Bride." Quite a large number of money changed hands on this race. Both horses got a running start and their return was eagerly awaited. After ten minutes from the start Harold Smith's "Jimmy" coughed himself by a good margin.

The Order of Guzzaks met again this week, the meeting last week having been postponed. The time of the meeting was in the suburban part of Hillcrest.

The first business to come up was that of the time of the meeting. The members of The Pass. The Hillcrest case being taken first.

As Hillcrest are old friends of ours, the title "was of more than ordinary interest, and the following resolution was passed:—That the Hillcrest correspondent be kindly and promptly informed that while one president should be referred to and spoken of in due deference it is against the democratic principle to use such an appellation. Let High Almond, etc., etc., be totally unnecessary — just President.

Some of the members were of the opinion that the name Hillcrest should be admitted to membership for educational purposes, but this was overruled by the president, on the grounds that it

The Canadian Highway

A book which is somewhat different has just reached the office of this paper. This is a publication issued by the Canadian Highway Association, and deals in an interesting way with the work accomplished by that body since its organization on November 1st and 2nd, 1911.

It contains an interesting mass of valuable information concerning roads, and road conditions in different parts of Canada, but more particularly British Columbia. The book is splendidly illustrated with photographs of road scenes, and of scenes at the planting of the first post on the West coast of Vancouver Island. Photographs of President W. J. Kerr and his fellow officers add a personal touch to the work.

The interesting "The Canadian Highway" is to educate the public to the advantages of good roads, and anyone interested in this work may obtain a copy by addressing Secretary P. W. Luce, New Westminster, B.C.

enthusiasm appeared to be so intense, that it would be impossible to restrain him.

The new correspondent for Burnis Camp was returned to and it was proposed to submit him to membership. He says that our ideas and we accept the compliment of his pleasure.

Some members of the Order went to Frank to see the football game between Burnis and Lille, and this outing was freely discussed. The opinion of the Order was that the best spectators on the field were those playing the actual game. The same, boys are generally heard and it is certain, either welcomed or not, interesting game was heard chiefly from among people, who evidently want to be assured of the "burns" cup. A False Rumor

A false report was recently

given out through the columns

of one of the Calgary dailies by

a traveller from Vancouver,

who no doubt had spent a few

hours in the town of Frank after

a number of years watching the

flat, still surfaces of lake and

prairie and considering what

geologists tell of elevations

on the earth's surface as the

direct of fairy tales. The story

went as far as to say that "the

Turtle mountain started rolling

and that the waiters and others

at a leading hotel were ordered

to make hasty exit, as the town

was in imminent danger." The

nervous perpetrator of such a

story should never have been

allowed to travel up in this

high altitude, and should be

compelled to confine himself to

the lowest region of the sea-

shore, where the balmy breezes

might waft strength to his

upper regions.

The Turtle mountain is really

not so dangerous today as it

was a year ago. The amount

of rock that has from time

to time rolled down its face has

given the old slide such a slope

as to ensure against the possi-

bility of a new slide gaining

such force as to cause any great

alarm to the citizens. Last

visitors to the top of the moun-

tains state that the crevices

which were marked and meas-

ured by them last year have

not opened in the least, al-

though small bunches of loose

material have been found

gradually falling the face of the

peak.

REAL ESTATE GAMBLING

(Greenwood Lodge)

This section of the country has been

poster for a long time with real estate

drummers selling lots at a long distance

from here. Freely paying these men

and sending them to the Boundary towns

to pick up easy money from the suckers

upper stage. Most of these peddlers

trade the local license fee, and are

sleeps at daylight a half before the eyes

of the greenback. It is the old game of

appealing to man's cupidity, and leading

him with glib guff about making for-

unes of a few feet of earth. This

"Uncle Tom's Cabin" Coming

Among the many tented organizations in America, that have become famous, the Ringling Bros. and Barnum & Bailey Shows are conceded to be the largest and most popular circuses. But the largest dramatic organization exhibiting under canvas is "Burk's Big Spectacular Production of Uncle Tom's Cabin." This Mammoth Amusement Enterprise is the acknowledged BARNUM of all "Uncle Tom's Cabin Companies"; like the big circuses, the travel in their own cars and require a special train of their own to transport their paraphernalia from one city to another. This organization embraces more Men, Women and Children, more Horses, Ponies, Donkeys and Siberian Blood hounds more Characters, Plots, Tableau Wagon etc., than any other similar exhibition in America. The Parade which may soon daily on the principal streets wherever this Night Show exhibits

is the largest of any dramatic exhibition in the world. The immortal play, "Uncle Tom's Cabin" is Mrs. Harriet Beecher Stowe's Masterpiece of Dramatic Fiction. The management of Burk's Big Company has spared no expense in securing a Metropolitan Cast to properly produce this grand old drama. In combination with the dramatic talent the management presents a Contingent of High Class Vaudeville Artists consisting of Merry-Make, Jubilee Singers, Dancers, Wire Walkers, Hoop Rollers, etc. These Artists are introduced during the action of the play and always create the greatest of satisfaction. Fred B. Fisher's Famous Concert Band and Symphony Orchestra is also one of the many strong features of this up-to-date Modern American Amusement Organization, which is coming in all its vast entirety and will exhibit at Blaimore, Wednesday night July 31 under a Mammoth Water Proof Palace Pavilion Theater Seating 2600 people.

Lake City

Is the name of the Western Terminal Point of the proposed
Crow's Nest Pass Electric Railway and is already tapped
by the Eass line of the C. P. R., while the G. N. R. has al-
ready approached to within a few score of miles and must
eventually pass through this admirably located town.

Lake City

Is located by the shore of Crow's Nest Lake, only a few
miles east of the provincial boundary between Alberta and
British Columbia, and just north of the international line.
In reality, it is at the top of Canada where the majestic
Rockies tower in serene magnificence over great chasms and
numerous floods, reflecting their presence on the waters of
this beautiful lake. Here also are afforded the very best
tasks for the daring mountain climber and for hunters
who desire to outlive the quiet ways of the Rocky Moun-
tain goat, sheep, deer or elk, which are the monarchy thereon.
In close proximity are numerous timber, mineral and fuel
resources, development of which is now in its initial stages.
These resources include gold, quartz, coal, iron and pulp wood.
Crow's Nest Lake has long been looked upon with promise
as an admirable location for health and tourist resorts, and
but now this promise is being realized. Plans for hotels, etc.
are being arranged, as well as boat houses, and the most
modern pleasure yaws will soon glide over the surface of
this beautiful lake.

But a few weeks ago lots were placed on the market, and
the agents have had their hands full attending to purchas-
ers. Prices run from \$150 up. For further particulars

for six months' imprisonment with hard labour and a fine of \$100 for wounding with bullet. Little Simone Vanuren on the night of June 28th. Twelve witnesses were called by the crown and as many more had been subpoenaed, but were not present. The evidence was in confusion. The evidence proved conclusively that the accused on the night in question borrowed a 30-06 calibre rifle and fired two shots into the room where the two young ladies and sisters, in which they were sleeping, one of the bullets lodged in the body of the child.

By Rev. Fr. Samuël.

A Highland accident occurred at the Hotel "The Branch" on Friday last which resulted in the death of Jack, the five-year-old child of Mr. and Mrs. McDonald. The child was taken to the kitchen stove and in some unaccountable manner landed a pot of water on his head, which caused the fatal shock, fearfully swelling the little frame. Medical aid was called and everything done to avert the child's death, but while little Jack was treated for his recovery Sunday morning the spirit of life passed away. The funeral will be held on Monday morning, a large number of Mr. and Mrs. McDonald's friends attending. The Palladium announced:

"Much sympathy goes out to Mr. and Mrs. McDonald who have been so much business matters connected with the government. Mr. Leuch is in the city gathering information for the compilation of a new geological map of The Crow's Nest Pass rural field. This map, when completed, will be one of a series to be issued by the government showing the natural resources of the Dominion, both developed and undeveloped. Mr. Leuch is also calling material for the preparation of a guide book for the International Exhibition of 1914, which meets in Canada next year. In the advertising columns of the Free Press J. H. Farmer, secretary for the village council, is calling for the removal of the town buildings from the town of Frank, Alberta, all tenders to be in by the end of July. C. and Sam Granger, of Bellevue, commenced about 10.15. The

first five rounds were exhibitions of good science by both men, while it was plain to be seen that in spite of the best-footedness of Granger, Burrows was the more powerful and effective. In the fourth round Granger had the misfortune to dislocate a former break in his left hand, which caused him so much pain that he had to quit in the sixth round and allow Burrows the decision.
